TOTAL CONSUMPTION (MCF): 16273.23

Consumption may be reported per hundred cubic feet or cubic meters depending on the type of meter installed. GLWA converts billed consumption for all member partners to thousands of cubic feet (MCF) using the following conversion factors.

Unit Conversion Calculation

Cubic Meters (CM) X .035315 = Thousand(s) of Cubic Feet (MCF)

Hundred(s) of Cubic Feet (CCF) X 10 = Thousand(s) of Cubic Feet (MCF)

QUESTIONS AND ANSWERS TO EXPLAIN MICHIGAN PUBLIC WATER SUPPLY ANNUAL FEES

What is the authorization for this fee?

Public Act 165 was signed into law on September 16, 1993, and took immediate effect. The bill amended Michigan's Safe Drinking Water Act, 1976 PA 399, as amended (Act 399).

Who is required to pay this annual fee?

There are approximately 10,500 community and noncommunity public water supplies serving an estimated 50 million visitors and residents each year. Community public water supplies are those serving cities, towns, villages, mobile home parks, apartments, etc. with at least 15 service connections or 25 or more year-round residents. Noncommunity public water supplies include facilities such as schools, campgrounds, restaurants, businesses, parks, motels, highway rest stops, etc. with their own well, serving an average of 25 or more persons per day, at least 60 days per year.

How much is the 2026 fee?

The fees for community water supplies are based on population served and range from \$534.48 to \$179,150.32. Noncommunity fees are divided into two categories. Facilities with wells serving primarily a transient population such as campgrounds, rest stops, motels, and restaurants are classified as transient noncommunity water supplies. Their annual fee is \$181.71. Nontransient noncommunity water supplies (schools and businesses) routinely serve the same 25 or more persons (students/employees) for at least six months per year. The nontransient annual fee is \$769.62 per year. Requirements for nontransient water supplies are much more complex than for transient water supplies, demanding a higher level of regulatory support to attain compliance. Note: The annual fee DOES NOT include the costs for water sample analysis.

Why a fee?

Amendments to Act 399 continue to increase inspection and sampling requirements for public water supplies. The State of Michigan maintains a primacy agreement with the United States Environmental Protection Agency. This means the State retains authority to implement the public water supply program in lieu of the federal government as long as it enacts rules that are at least as stringent as the federal rules. The public water supply program includes periodic inspection of water supplies, monitoring the quality of drinking water served to the public, certification of laboratories for drinking water analysis, maintenance of a state drinking water laboratory, certification of drinking water operators, technical consultation, permitting and construction plan review, and training. The fees are required to enable the State to implement these regulations for public water supplies.

What if there are mistakes on the invoice?

If information is incorrect, you should correct it, and return the corrected invoice with the proper payment. If the error involves a change in the invoice amount, the information necessary to recalculate the fee is provided. A written explanation for the correction must be provided, signed by an authorized representative, and submitted with the appropriate payment. Always retain a copy of the invoice for your records.

What happens if the fee is not paid?

Act 399 contains penalties for late payment (after November 30 of each year) calculated as 9 percent per annum for community water supplies and \$25.00 per month or portion thereof for noncommunity water supplies. The Michigan Department of Treasury collects all penalties.

25-100	\$536.63	\$2.15	\$534.48

PENALTY: After November 30, 2025, a penalty of 9 percent per annum on the unpaid balance is applied to the amount due. This invoice does not reflect any prior outstanding balances and/or late fees.

ANNUAL FEE ADJUSTMENT: The fee is adjusted annually based on the Detroit Consumer Price Index (CPI). Last year's rate was 1.3 percent.

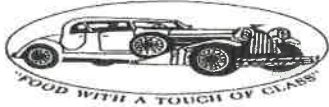

CREDIT ADJUSTMENT: At the end of the fiscal year, 75 percent of unspent fee revenue from previous annual fee payments is applied as a credit on a pro rata basis to the fee the following year.

NOTE:

- Payment can be made via credit card, debit card, or e-check.
- Visit our website at: <https://www.thepayplace.com/mi/deq/comm>.
- If paying by check, please return the portion of the invoice indicated to receive proper credit.
- A written explanation is required to effect any change in the amount due.

City of Dearborn Heights

Dropbox Payment Policy

Purpose

The purpose of this policy is to establish clear guidelines for the use of the Treasurer's Office Drop boxes system. This policy ensures secure, timely, and accountable processing of payments while providing a convenient option for individuals unable to make in-person payments during regular office hours.

Scope

This policy applies to all individuals and entities submitting payments via the Treasurer's Office Drop boxes. It outlines acceptable payment methods, proper use of the Drop boxes, and procedures for handling deposited payments.

Definitions

- **Drop boxes:** A secure, locked containers located at City Hall, 6045 Fenton St. Dearborn Heights, used for submitting payments, 24/7 to the Treasurer's Office outside of business hours. This includes two drop locations- one box by the parking lot and one on the City Hall building (east side).
- **Payment:** Any accepted form of payment submitted to the Treasurer's Office, including checks, money orders, or other approved methods listed below. NO CASH.

Payment Methods Accepted

The following forms of payment are accepted via the Drop boxes:

- Personal or business checks
- Money orders
- Cashier's Check
- NO CASH!

Drop boxes Locations and Hours

- **Location:** 6045 Fenton St., Dearborn Heights, MI 48127
- **Access Hours:** 24 hours a day, 7 days a week

Note: Payments deposited after 5:00 PM will be processed on the next business day.

Payment Procedures

1. Depositing Payments:

Place payments in a sealed envelope clearly labeled with:

- Payer's full name
- Payment reference (e.g., invoice number, tax ID, or account number)
- Payment amount

Insert the envelope securely into the either Drop boxes.

2. Confirmation of Payment:

- Payments will typically be processed within 24 hours of receipt.
- Receipts will only be mailed if specifically requested by the payer. Payers must provide a self-addressed stamped envelope.

Security and Monitoring

- The Drop boxes are accessible only to authorized Treasurer's Office staff.
- Drop boxes are checked and emptied at least once daily to ensure timely processing.
- All staff handling payments adhere to strict internal control and security protocols.
- If a payment is received without sufficient identifying information, the Treasurer's Office will attempt to contact the payer for clarification.

Accountability and Record-Keeping

- A log of all Drop boxes payments will be maintained, including:
 - Date and time of deposit
 - Payer's name and payment reference
 - Amount received
- All payments are reconciled with bank deposits and City of Dearborn Heights financial records.
- Any discrepancies or irregularities will be reported to City of Dearborn Heights management (Treasurer-Deputy Treasurer) for review.

Late Payments and Penalties

- To be considered timely, payments must be deposited in the Drop boxes by 5:00 PM on the due date.
- Payments received after this time will be processed on the next business day and may be subject to applicable late fees or interest.

Responsibility and Contact Information

- The Treasurer's Office is responsible for the secure handling and accurate processing of Drop boxes payments.
- For assistance or questions, please contact:
City of Dearborn Heights Treasurer's Office
Phone: (313) 791-3410

Policy Review and Amendments

This policy will be reviewed annually or as needed to remain compliant with legal requirements and internal practices. Any revisions will be communicated to staff and relevant parties.

SMART intends to provide Municipal Credit funds under this contract to the extent funds for the program are made available to it by the Michigan Legislature pursuant to Michigan Public Act 51 of 1951. Municipal Credit funds made available to SMART through legislative appropriation are based on the State's approved budget. In the event that revenue actually received is insufficient to support the Legislature's appropriation, it will result in an equivalent reduction in funding provided to the Community pursuant to this Contract. In such event, SMART reserves the right, without notice, to reduce the payment of Municipal Credit funds by the amount of any reduction by the legislature to SMART. All Municipal Credit funding must be spent by June 30, 2028; all funds not spent by that date will revert back to SMART pursuant to Michigan Public Act 51 of 1951, for expenditure consistent with Michigan law and SMART policy.

2. The Community agrees to use **\$110531** in **Community Credit** funds available as follows:

Total \$110531

To the extent that this Contract calls for a payment of funds directly from SMART to a subcontractor, Community hereby acknowledges that it is the party entitled to receive such funds and is affirmatively authorizing and directing SMART to pay such funds directly to the subcontractor on its behalf. Capital purchases permitted with Community Credits are subject to applicable state and federal regulations, and SMART policy, including procurement guidelines. When advantageous, SMART may make procurements directly. Reimbursement for purchases made by Community requires submission of proper documentation to support the purchase (i.e. purchase orders, receiving reports, invoices, etc.). Community Credit dollars available in FY 2026, may be required to serve local employer transportation needs per the coordination requirements set forth in the aforementioned Master Agreement. All Community Credit funds must be spent by June 30, 2030; any funds not spent by that date may revert back to SMART for expenditure consistent with SMART policy.

The Parties acknowledge and agree that this Agreement may be executed by electronic signature, which shall be considered as an original signature for all purposes and shall have the same force and effect as an original signature. The Parties agree that the electronic signatures appearing on this Agreement are the same as handwritten signatures for the purposes of validity, enforceability and admissibility. Without limitation, "electronic signature" shall include faxed versions of an original signature or electronically scanned and transmitted versions (e.g., via pdf) of an original signature.

This Agreement shall be binding once signed by both parties.

Description of Project

The Annapolis High School (A title one school) senior classes for 2026-2027 were selected by the University of Michigan, Ann Arbor to staff 2 concession stands at U of M football games during the football season. The trips are twice a month, September to November. The requirement to participate in this program requires 30 students (15 for each booth plus chaperones) this vital transportation has enabled Annapolis seniors to meet their staffing requirements and raise money for the senior's graduation activities. Annapolis is a school of choice with students from surrounding cities with limited income and the ability to have transportation provided. This transportation is open to the public who volunteer for this program.

Service Area

All trips within lower peninsula of Michigan. Distance from Annapolis Hight School to University of Michigan is 30 miles.

Service Time

The program runs from September - November. 7:00 a.m. - 5:00 p.m., Saturdays.

Eligible User Group

Youth ages 15-17.

Fare Structure

SMART covers transportation costs within Wayne, Oakland. All trips beyond these counties, the balance of the bus is covered by the city of Dearborn Heights...

Service Mode

The City uses a one twenty-eight (28)-passenger Smart bus.
